PERSONAL PROFILE

I hold Diploma in Information Communication Technology (I.T). A visionary, passionate and an action-oriented person. I am self-motivated, committed to achieving high standard of competence and professionalism in whatever I do. I am goal-oriented, and have the ability to work under pressure. I have good communication and interpersonal skills.

CAREER OBJECTIVES

To develop a working career in an environment that offers opportunities for creativity, initiative, capacity building and impact on society. To achieve this, I have been motivated to work hard and remain confident, committed and focused on my dream. I am always ready to face any challenge whenever am challenged and have an enthusiastic approach to work. I am composed, calm under pressure and have a great capacity to learn as an individual as well as in a team environment.
